## INDIAN APPAIRS.

From the Italian country we learn that the are Generals. Sheiman and Sanborn and as the occupants of comfortable state-rooms to Cel. Taylor. At last advices they had held to acquire our fast experience in the mass a meeting at St. Louis and concerted meass exciting and interesting of all annuous as Atts 6 r obtaining a hearing with the Indians in the hope that some plan may be deschead with a white cap, and a black mousvised which will be anatomly satisfactory, and result in pesceful relations between the deck forward, as we came on hoard, gave a reduced and the whites. The proceedings of the Contaissioners were as follows;

Od. Taylor, Commission is of Indian Af-f.its, should communicate with the officers and agents under their central, directing them to send numers to the Indians. In the them to send tunners to the passes and agen-cies, and ask the Northern till es to thee; the Commissioners at Fort Latannic, at that moral in September next, and all the trikes South of the Plate River to a semble of Port Land of the Atkaness River, at "full a note of those tribs to await instructions.

Col. Taylor and Gen. Sanborn were made a pareliasing committee of supplies. The Beard then addomned to meet in Leavenweath on Monday nest, and then proceed to Oradia, wheree they will ascend the Mis-sepri River to its highest near sible point, to porter with all the Indians they can meet and examine lands for the Northern Reser-

Gen. Sherman has telegraphed to Gen. Hancock and Augur in accordance with the glove, and Col. Taylor with the same instructions to Superimendents Morphy at

Chison and Denman, the Northern agency, Gen. Sherman also instructed Gens. Han-cock and Augur to confine their military operations, pending the action of the Com-missioners, to the protection of routes of travel and the settlements, and to Con. Han-cock he says: "Do not invade the country south of the Arkansas tiver, everythin join-suit of parties guilty of hostile nets. I want the deliberations of this Commission to be as little disturbed as possible, so that this effort to settle the Indian question peace. By may have a fair chance for success."

In the meantime, the leastile tribes contime their was like operations. They have now learned that they eve damage the railroad operations by throwing trains from the teack, which they have successfully done In two or three instances, inflating consideache injury, causing serious delay and obtaing the way to a vast amount of lightly it the mactic is centimed. Increased familiarity with the cars and engine desens the dread of them, and they carry on their operations in the presence of passing todas

Late dispatches state that quite a mumber of Indians, with painted white men as interprefers, appeared at Rock. Soring, tea miles east of Fort Harker, last evening, and made paticular inquities regarding the callroad and waron trains, whether they were quarded, &c., but receiving unsatisfactory and swers they departed. There is no doubt that many of the Italian bands are headed by white men for the purpose of plumler.
